DESCRIPTION

New York's premiere Water Ski Show Team offers you a unique and exciting way to spend a summer's evening—and it's FREE! Performing on the Mohawk River, conveniently located at Jumpin' Jack's Drive In eatery, experience beauty, grace, thrills and raw power as the team performs one amazing act after another. The water ski shows consist of 14 acts, choreographed to a common theme. Think of it as a Broadway show on water—a liquid stage that's ever-changing and never the same twice. Our volunteer team members offer you Cypress Gardens-caliber skiing right here in the Capital Region! Ski shows are every Tuesday night in July and August, with practices most other nights. Join us on your trip to Schenectady County - It will be a night you surely remember!

Note: Seating is outdoors on grass. Blankets or folding chairs are recommended.
