DESCRIPTION

Carrying on a time honored family tradition that has spanned over ninety years and four generations, the Sgarlata Family proudly presents a new era of serving the finest food in the Capital District. On the banks of the Mohawk River lie fifteen beautiful acres that comprise River Stone Manor. The estate's home is original to the property and was built in the 1800's.

The newly-constructed banquet facility has been placed on a knoll offering unspoiled views of the river and surrounding landscape.

Guests can enjoy the new outdoor dining facility, overlooking the Mohawk and presenting an exciting a la carte menu (buffet lunches available upon request).
